SIR,

With reference to your docket No. 66 of 31.94 of the 9th July 1896, forwarding the petition of Thirma Subbanna Char, I beg to state as follows:—

2. The petitioner is one of the persons who had been granted inam lands out of the inam villages of Naval Krishna Doss. The object with which the inam villages had been granted having failed, the Government resume them. Then the Vritidars who had received inam lands from the inamdar petitioned the Government. The Government directed that if the Vritidars rebuil houses at a place to be chosen by the Deputy Commissioner in lieu of those that had gone to decay and in Consideration of the Construction of which the inam lands had been granted, then the Government would order the payment to them of the amounts realized on their inam lands previous to their resumption, and would also Consider the question of the restoration to them

them of their inams. Accordingly Sites for building houses were Selected in Seringapatam in your presence and Such of the Vrittidars as were present then were told that they were at liberty to begin to build at once. But up to now they have done nothing. They merely want the Said amount to be paid to them. I remember having told the petitioners a number of times that I would at any moment go and Show the Sites for building. The Statement Called for in your docket No 965 of the 4th March 1896 Shewing the amounts realized on the inam lands of these Vrittidars previous to their resumption will be Sent as Soon as the necessary information is received from the Sub division officer of French rocks to whom an urgent reminder has been Sent.

The villages of Turaganur and "Basavan halli in the Turiamakudlu Narsipur Talu were granted on 8th march 1820, as Inam to Sowcar Nowl Khistna Doss, for the maintena of the temples, Chuttra and A-grahar foun by him in Paschimavahini in the Seringa patam Taluk.

The Inamdar divided the villages in t

18 vrutties and distributed them for the purposes particularized below

1	Pattabhe Ramadevaru	1 3/8 Vrutties
2	Vinnadevaru	1 3/8 Vrutties
3	Aanjaneya Devaru	1/4 Vrutti
4	Chattra	2 Vrutties
5	Yejamanu	1 Vrutti
6	Agrahar bramins	12 Vrutties
		Total Vrutties 18

4 In the distribution thus made the lands were not divided amongst the Several Vrutte dars and demarcated Separately What the Inamdar did was that he kept the management of the Inam under his own con trol and distributed the realizations pro portionately amongst the Several Vruttedars

5. On the demise of the original Inamdar his heirs who Succeeded him followed Suit matters passed on Smoothly for many years The last heir Parvati Bozi, however allowed the payment to fall into arrears. The consequence was that litigation arose between the Inamdar and the Vrittidars of the agrahar who were 12 in number. Six

of the latter sued the former in Civil Court and obtained decrees in their favour, whe the other Six slept over the matter.

When the Inamdar and the Six Agrahars were contending thus in the Civil Courts th Inam Settlement took place.

7 The Inam Superintendent suggested that the Agrahar Vrithies be resumed as a penalty for the Agraharks not residing in the Agrah itself which was almost in ruins and the Agraharks themselves being at loggerheads with the Inamdars.

8 This objection was on the representation of the Agraharks overruled by the then Chief Commissioner who directed the continuance of the Vrithies holding that it was not necess- -sary that the holder of the Vritte need reside in the Agrahar.

Thus the claims of the Agrahardars were recognized and the Inam confirmed in favour of Inamdar. The Agrahardars were however ordered to rebuild their house in Seringapatam instead of at Paschimavahi which was condemned as an unhealthy.

and those that had obtained decrees engaged themselves in executing their decrees. Meanwhile the Inam was taken under Government manage= =ment on the Muzrai branch as the charities were found to be quite neglected. Thereupon the decree holders complained and prayed for Satisfaction of their decreed amount and payment of the quota of the Vrittis from the proceeds of the Inam.

11 On the correspondence that ensued, the Deputy Commissioner in Yade no 645 dated 17th November 1892, directed that the proceeds of the Inam be divided into 18 parts and that each of the 12 Vrittidars be paid his Share. He observed that such a course would place both the decree holders and the others on equal footing and ordered that the proceeds of the madika Vritti be disbursed to the decree holders till their decreed amounts were fully satisfied in consideration of the Court costs they had incurred. The remaining amounts of the 5 Vrittis was ordered to be utilized towards Devasthans and Chattram.

2 Before this order was carried out it was found necessary to ascertain which of the Vrittidars were entitled for

for payment and what amount was available for the purpose.

3 Twelve persons as shewn below are said to be the Agrahar Vritti holders

1 Krishnamah represented by Thurma Subbanachar

2 Moortayachar dead, one Padmavati Boyi (daughter in-law) claims to be the surviving member.

11. Of the above 12 Vrittidars nos 8, 10 and 12 have not established their title to the Vrittis either in Revenue or Civil Courts. The Inam Title deed does not recognize them. Their Vrittis stand resumed in the Inam Settlement. The Deputy Commissioner in his order no 806 dated 7th January 1873 has directed that the amount of these 3 resumed Vrittis be kept in deposit in view to its disbursement to the decree holders when execution is sought by them.

15. In the Inam Settlement the claims of nos 1, 2, 3, 4, 5, 6, 7, 9, 9, and 11 have only been recognized. Nos 1, 3, 4, 5, 7, and 11 have obtained Civil Court decrees and their title to the Vrittis is therefore undisputed and payment to these cannot be withheld. No 2 is dead. The surviving member Padma. wali Borjee's name does not appear in the Inam Register. Nor has She established her title to the Vritti in the Civil or Revenue Courts. According to the petition presented by one Nagu Borjee this Vritti would appear to have been sold by the Civil Court for

the debts incurred by Padmavate Boyee and
purchased by the petitioner's late husband
The petitioner has been directed to produce
the Sale certificate and wh that is done
her claim to the Vritti can be considered
No 6 is dead Sumate Anantachar through
his guardian Guru Rajachar advance
his title to the Vritti and has produced
dahl as Sufficient to recognize the claim
No 9 Tunga Boyee. The name and that of
Sheshachar appear in the Title deed the
latter and another Ramachar appear to
have purchased the Vritti and their
claims have been recognized by the Inam
Superintendent. Tunga Boyee and one
Laksham Boyee dispute the claim of the
purchaser. The question whether Seshachar
and Ramachar or Tunga Boyee and Lak
sham Boyee should be recognized as Vrittidars
has to be decided by a competent court and
the parties may be told to establish their
respective claims before payment could
be ordered. Nos 8, 10 and 12 whose Vrittis
were resumed in the Inam Settlement
have, to all purposes lost their claim
on the Vrittis and it is doubtful if

r claims at this distant period can be
rtained on the strength of the original
nad, which recognizes them also as
thdars. These have been told to place
ir cases before the Government and
'tain orders.

The proceeds of the Inam from the year
vabhanu 1883-84 to the Year jaya 1894-95
rupees 10726-15-9 excluding Government
es and the cost of the establishment.
this Sum Rs 65 86-12-" are in the
ungapatam, and Rs 4140-3-9 are
the Tirmakudlu Narsipur taluk Trea:
'ries. The aggregate amount, if divided
proportion to each vritti, as directed
the Deputy Commissioner will be
detailed below.

Pattabhi Ramadevaru Rs 819-6-9

Rama Devaru -- Rs 819-6-9

Anjaneya Devaru Rs 148-15-9

Chattra ..... Rs 1191-14-5

Yejaman ..... 595-15-1.

12 Agra hardars each at Rs 595-15-1 } Rs 7151-5-0

Total Rs 10726-15-9

17 If this Sum be divided as decided by the Deputy Commissioner, the items of expenditure will be as follows

Amount to be reserved towards charities ---- Rs 2979-11-8

Amount to be kept in deposit towards payment to the decree holders on execution of their decrees - Rs 1787-13-3

Amount to be disbursed to 3 non-decree holders at Rs 595-15-1 each ------ Rs 1787-13-3

Amount to be disbursed to 6 decree holders at Rs {(595-15-1)+(99-5-2)} each --- Rs 4171-9-7

Total Rs 10726-15-1

18 According to the above details the amou available for decree holders who hav also sought for execution is Rs 5959-(and for nondecree dars Rs 1787-13-3 C of the former Sum Rs 2195-9-0 ha

been disbursed to the undermentioned persons named below in the Sums shewn opposite their names

1 Krishnama - Rs 365-14-10
2 Vasudeva Shastry Rs 365-14-10
3 Kurma Subbanachar Rs 365-14-10
4 Dadanachar Rs 365-14-10
5 Vasanta Krishnachar Rs 731-13-8

2195-9-0

And there is still a balance of Rs 3763-13-10 available for payment. Out of Rs 1787-13-3 payable to non decree holders Rs 365-14-10 has been disbursed to Padmavati Boya.

19 Under the circumstances that have been brought to notice by the petition of Nagu Bayee, the payment made to her is irregular, and I have directed the Amildar of Seringapatam to recover that amount from her and to keep it in deposit. When this is done the full amount of Rs 1787-13-3 will be available for payment

20 When matters stood thus the Inam was resumed under proceedings No 963-6

no $\frac{963-6}{g\ 199}$ dated 16th July 1894, and furth
payment to the Agrahardars was
ped Thereupon the decree holders re
ed to the Civil Court and sought e
cution, and the Civil Court ordered
attachment of the amount in the cus
of Government On this a report wa
called for by the Deputy Commissioner
was doubted whether execution cou
be effected and reply vide no 881 d
7th april 1897, was submitted to the De
Commissioner. Ere this the governme
in proceedings no $\frac{9048-9}{R\ 1369}$ dated 2nd
ber 1894, observed that, if the Vrittida
build new agrahar houses in a loca
approved by the Deputy Commissio
and conform to the condition of the
gnal grant, the question of restor
the Vrittes to the Vrittidars will be
vourably considered. In pursua
of this order sites were allotted
them and they evinced no inclin
the agrahar.

It has been reported

Government, notice was ordered to be served
on them to take charge of the Sites within
the specified time and failing to do so
the Sites to be disposed of otherwise. Vide
Proceedings no. $\frac{500}{31-94}$ dated 5th October 1896.

2. A plan Shewing the position and area
of each of the Sites was furnished to them.
Purna Subbanachar for himself and on
behalf of 5 other decree holders, protested
that the Sites Selected by the Deputy
Commissioner were not Suitable for build-
ing the agrahar and begged other Sites
being given instead Lakshmi Nara
simhachar and Alur Ramabhatta
disapproved of the Sites chosen by the Deputy
Commissioner and have commenced work.
But these form the members of the
returned Vrittis in the Inam Settlement.

3 It did not seem advisable to permit
these individuals to construct houses
until they established their hak to the
Agrahar Vrittis in the proper course and
they have therefore been directed by
the Amildar to cease further work

in the construction of their houses In view to ascertain the nature of the objection take by Thurma Subbanachar, I procured his attendance. He stated that Syed Gafur's tomb was on the spot already selected, that it was far from inhabited houses and so forth and begged that either the Site pointed out by the Dewan or one of those chosen by himself be given for the agrahar. He referred to the vacant Site Situate to the South of Kalamanda Gudi as the one named by the Dewan, those chosen by himself being the Sites Situate to the west of the Kannada School and the Sandal Kote respectively

4 There are strong objections to grant any one of the 3 Sites alluded to by him. I inspected these Sites in Company with Thurma Subbanachar and other Vrittidars then present. I gave them to understand the reasons why these Sites cannot be granted for the agrahar. They acquiesced. There was some force in the objection advanced by Thurma Subbanachar to build agrahar houses on the Site

site that had already been selected by the Deputy Commissioner, and I therefore selected another Spot in the neighbourhood of the one already chosen and they were quite pleased with the block and expressed their willingness to build the agrahar. I Submit a tracing. The portion marked a b. in blue pencil is the block I have selected for the agrahar.

15. When this was done I procured the attendance of the Vrittidars. Of the 12 Vrittidars the following persons presented themselves before me.

1 Kurma Subbamachar
2 Krishnama represented by Kurma Subbamachar
3 Subba Krishna Rao
4 Dodamachar
5 Vasanta Krishnachar
6 Vasudevashastry
7 Sumati Anantachar
represented by his guardian Guru Rajachar
Lakshmi narasimachar

9 Alur Ramabhatta

10 Tunga Bayi

11 Laksham Baye

Srenivas moorti and Padmavati Bayi absented themselves.

26. The first Six are the decree holders. Thurma Subbiah achar on behalf of himself and the other decree-holders stated that their prayers were.——

1 That another Site in lieu of the one selected by the Deputy Commissioner be given to them.

2 That they be paid in full the amount of their decrees from the proceeds of the yejaman and the 3 resumed vrittis.

3. That the arrears of quota of their vritti amount be paid to them to enable them to build their houses.

4. That the lands of the two Inam villages be divided in proportion to their vritti and separately demarcated.

already approved of the Site selected by me for the Agrahar, That their 2nd and 3rd prayers have already been decided by the Deputy Commissioner in accordance with their request and that their 4th request would be duly considered by the Government in passing the final orders in their case. They expressed themselves Satisfied. The guardian of Sumati Anantachar expressed that he would commence to build the house on the Site now selected as soon as the amount of the writti was placed at his disposal. Tungu Bayi also stated that she would build the house and begged the amount to be paid to her. She was told to establish her right in preference to those of Sheshachar and Ramachar. Lakshmi Narasimhachar and Alur Ramibhatta begged that they may be advanced money and permitted to commence work. The

act of their vrittis having been resumed
uring the Inam Settlement was pointe
ut to them and they were advised
establish their title to the Vritti in
the 1st instance. The other vrittidars
admavati Bayi and — Seenivas
urti have absented themselves. The
laim of the former is disputed by
agu Bayi and that of the latter
is like those of Lakshmi Narasim
har and Alur Ramkhatta

28. Should the Government approve of
the site I have now selected, and
sanction the disbursement of the Vrit
amounts as decided by the then Dep
Commissioner cancelling the order of
resumption of the Inam, I will ta
steps to obtain the amounts up to
Year Jaya and of the subsequent
from the Srikamakshi narsipur Ta
Treasury and the Serirangapatam
Treasury and to put the build
Sites in the possession of the agrah

and to the disbursement of the amount in small sums as progress is shewn by them in the construction of the houses.

29. At present the cases of the 6 decree holders and Sumati Anantachar are undisputed and these may be put in immediate possession of the sites. The cases of Padmavati Bayi and Tunga Bayi are disputed. Two building sites may be reserved to be placed in charge of those that may establish their title to the said two Writtis. The cases of Lakshmi narasimha char, Alur Ramabhatta and Sreenivas moorti whose Writtis have been resumed, hereafter, have to be considered in accordance with the decision to be arrived at by the Government, and in the event of the decision being also in their favour, then sites adjoining the agrahar may also be given to them.

30. Kurma Subbanachar and 5 others are very anxious to build their houses commencing the work

(2:1)

in the months of chitra and bring them to completion before the monsoons set in. Early orders of Government therefore be kindly obtained in the matter.

31 The Yadi under report together with its accompaniments and the correspondence connected with the case are submitted for reference.

Adverting to the Dr's letter of the 7th April 1898, the following points call for special consideration:—

In para 4 it is stated that of the Agrahara Vrittis, those of Lakshmanasimhachar, Rama Avadhani & Ahm Rama Natta have been resumed at the Inam Sett and that nothing could be done in their case till they establish their title and get the Order of resumption Cancelled.

Adverting to this

Memo.

Letter No. 1164 dated 7th April 1898 from the Deputy Commissioner Mysore District, regarding Naval Krishna Doss Agrahar at Seerangapatam.

The Inam villages of Turagamur and Basavanahalli endowed to the charities established at Paschimavahini by the late Naval Krishna Doss were under orders of Government No. $\frac{963-6}{G\ 99}$ dated 16th July 1894, resumed as the object of the grant had failed; and subsequently on the complaint of the

Medars against the
emption of the Inam
llages, the Government
Proceedings No. 9048-9 / R 1369
ted 2nd December 1874
erved that they will
"consider favorably
the question of restoring
to them the Vrittees or
their equivalents, after
they build their Agrahar
houses in a locality
approved by the Deputy
Commissioner and
otherwise conform to
the conditions of
the original grant."

Now the Deputy
Commissioner reports
that the Sub Division Officer

of French Rocks has, in Consultation with the Vrittidars, selected site at Sreerangapatam (marked A and B in the Plan appended) for the re-construction of the Agrahar and request sanction of Government to make over the Sites to the Vrittidars in view to their Commencing the Construction of the houses.

3. The Vrittidars also pray that the proceeds of the Inam villages prior to the date of their resumption might be disbursed to them in view to enable them to Construct the Agrahar as directed in Government order

of the 2nd December 1874
referred to above. The
revenue realized from
the Inam villages since
the year 1886 is now held
in the Treasury under
a separate head
"Receipts of Muzrai
Institutions under the
temporary management
of Government." A
portion of this amount
has been already disbursed
by the Deputy Commissioner
to certain Vrittidars
in satisfaction of
Civil Court decrees
obtained by them against
the heir and representative
of Naval Krishna Dass
for the Vritti allowances
due to them. There are

Some more Vrittidars who have not been paid their Vritti allowances yet.

As to who these Vrittidars are and what amount is due to each, some information is given in the Deputy Commissioner's report. But the information therein furnished is not complete. If however, the Government decide to disburse the Vritti allowances due to the Vrittidars for the period prior to the resumption of the Inam villages, further informations necessary will be called for from the Deputy Commissioner

and orders issued for the payment of the allowances due to the several Vrittidars, on condition of their agreeing to apply the money for the construction of the new houses on the sites selected for the Agrahar.

4. The question of the re-grant of the resumed Vrittis or their equivalents to the Vrittidars is, as observed in Government Proceedings No. 9048-9 / R 1369 dated 2nd December 1894, a matter for

future consideratio
after the Agraha
has been duly re-constitue

of the late Nowl Krishna

the resumed Inam lands
or their equivalents
will be favorably con-
sidered by Government
after the Vrittidars build

in a locality approved
by the Deputy Commissioner
and otherwise conform
to the conditions of the
original grant, and
referring the Agraharikas
to the Deputy Commissioner
for assignment of
suitable sites to build
Agrahar houses upon.

dated 4th April 1898
from the Deputy Commissioner
Mysore District reporting
that suitable sites
at Seerangapatam have
been selected by the Sub
Division Officer of French

of the Agrahar and requesting
sanction to the Agraharikas
being placed in possession
of the sites, and also to
the disbursement of
Vritti allowances due to
them out of the revenues
of the villages of Iwraganur
and Basavanahalli.

from the Deputy
Commissioner Submitting

of the case.

Order thereon No.

Enc Records -

As regards the
allotment of the sites
to the Vrittidars, the
Deputy Commissioner is
informed that he may,
after satisfying himself
as to the eligibility of
the sites selected by the
Sub Division Officer of
French Rocks, make
them over to the Vrittidars
on distinct terms as to
Character

Character and type of buildings and time for their erection &c.

2. In para 4 of his letter No. 1164 dated 7th April 1898 read above, the Deputy Commissioner reports that out of the 18 Vrittis, the 3 Vrittis assigned to the persons noted in the margin* have been resumed at the Inam Settlement and that their claims cannot therefore be considered until the order of resumption is cancelled. With reference to this point

the Government, after
perusal of the entire records
relating to the Inam
Settlement and the Quit-Rent
Registers and the Titles
Deeds finally issued in
respect of the two Inam
villages in question, find
that these villages have
been confirmed as
Divadaya Inam in the
name of the "Managers
for the time being of Nowl
Krishna Deva's Agrahar,
Devastham and Chattram
at Paschimavahini"; and
nothing is mentioned
in the aforesaid records
about any of the Trustees

having been examined. The Deputy Commissioner, in stating that the three Vrittics referred to above were resumed at the Inam Settlement, appears to have based his observation on certain remarks recorded by the Inam Assistant at the earlier stages of the Inam inquiry to the effect that the Vrittics might be re-allotted to the exclusion of certain Agrahārikas, who at the time had not taken up their residence permanently at the Agrahar; but the Inam Assistant

proposal was not finally adopted and the grants were simply registered in the name of the Manager for the time being of the Charities, omitting the names of the Vrittidars in the Title Deeds finally issued. In these circumstances, the three Vrittis referred to above cannot be taken as having been examined at the Inam Settlement. The present representatives of the 3 Vrittidars in question — Viz, Lakshmi Narasimha Rao, Alur Narasimhabhatta and Sreenivasa Murti.

Should

should therefore be
treated alike with th
other Agraharikas an
allotted sites for the
Construction of houses.

3. As regards the
payment of the arrear
of allowances due to
the Vrittidars, it is observed
from the records that the
Inam villages of Turagamur
and Basavanahalli were
taken over under Govern-
-ment management
in the year 1886 and finally
resumed to Government
in July 1894; the Vrittidars
are therefore entitled

to receive only the net
revenue collected by
Government from the
villages during the interval,
And according to the Revenue
Accounts now received,
the gross receipts from
the villages and the expenditures
during the aforesaid interval
therefrom stand as follows:—

Village	Receipts			Expenditure: Local Cess paid to Govt.			Potgi allowances to village Servants			Survey Charges			Total			Remarks.
Turagamur	5996	10	·	368	13	8	723	10	8	139	3	4	1231	11	8	Vide Govt. Pro: issued in the Revenue Department No. 13867-8 Dt 4th March 91 No. 15076-7 Dt 13th March 91 No. 41184-6 Dt 13th December 18 FC.417.
Basavanahalli	3671	15	10													
Total	9668	9	10										1231	11	8	

thus leaving a net
income of Rs 8436-14-2
available for distribution

to the Vrittedars. This amount apportioned equally amongst the 18 Vrithies will give Rs 468-11-5 to each Vritti.

4. According to the terms of the original grant, 5 out of the 18 Vrithies have been assigned ~~for the benefit of~~ to the marginally noted Institutions at Paschimavahini. ~~As regards~~ In respect of the amount ~~due~~ payable to the Sri Pattabhi Ramaswami temple, one of the Institutions above referred to, separate orders have been issued today on another Communication received on the subject from the

Deputy Commissioner.

The amounts due to the other 3 Institutions will be continued to be held in the Treasury pending further instructions in the matter.

5. Exclusive of the amount due to the aforesaid 4 Institutions, the balance of the money, the Deputy Commissioner will disburse to the other Victidars after satisfying himself as to the present claimants being the rightful representatives of the original grantees

and

and deducting the sums reported to have been already paid to some of them.

6. A final report of the action taken by the Deputy Commissioner in pursuance of the foregoing orders should be submitted for the information of Government.
